Please make special note of the following dates:

-- THURSDAY, OCTOBER 10: The October General Meeting. We are proud and privileged to have on our agenda for the evening, the one, the only, Ross Stambler, whose presentation will include a slide program on opal, starting with scenes from Coober Pedy, a bit of technical material, and many views of rough and polished opal. The finished opal is in the form of cabochons to carvings, as well as jewelry. Besides the excellent educational program, Dr. Stambler will have available for the lucky winners in the drawing, some very attractive emerald specimens from Colombia. That's Thursday, October 10, at 7:30, at 8211 E. Firestone, in Downey. See you there!!

-- THURSDAY, NOVEMBER 7, 1985: The November General Meeting. Remember, we will meet on the FIRST Thursday of November, instead of the second Thursday, NOVEMBER ONLY. This is due to the fact that the annual Opal Show follows that very weekend.

-- SATURDAY AND SUNDAY, NOVEMBER 9 & 10, 1985: The American Opal Society proudly presents its 18th annual Show, "A Panorama of Opal," featuring top dealers, demonstrations, displays. And the place? At the Anaheim Convention Center, 800 W. Katella, in Anaheim, (across from Disneyland). Saturday the hours are from 11 a.m. to 7 p.m., and the Sunday hours are 10 a.m. to 5 p.m. For information about the Show, please contact Show Chairman Brian Franks at 714-857-2743; or Jewett Pattee 213-425-2426.
